FEES:

REGISTRATION FEE for new admissions: R300 payable when admission form is submitted

REGISTRATION FEE for re-admissions : R150 payable when re-admission form is submitted

These fees are non-refundable.

Fees are calculated on the basis of a year and divided into 12 equal payments throughout the year. Fees are payable in advance and a penalty fee (5% of the value of the outstanding invoice) will be charged if payment is still due by the 7th of the month. If payment is still outstanding by the 15th of the month, enrolment to the school will be terminated. **First payment for the year must be made before 7 January and last payment for the year must be made by 7 December.**

Please note the following:

- The school is closed during December and January for 13 – 14 working days. We will communicate the dates of our annual shutdown by June/July so that parents may plan their leave accordingly.
- The school is also closed on public holidays and declared school holidays. Declared school holidays happen when the public holiday falls on a Tuesday or Thursday and the day before or after these public holidays (Monday or Friday) is declared a school holiday by the Department of Education.
- Normal fees will apply during our annual shutdown in December and January. NO Reduction will be given.
- We often have queries about why December and January fees must be paid in full. In order to assist with budgeting purposes for households we have distributed our yearly fee into 12 equal payments with no interest charged. Parents and legal guardians are welcome to pay more each month to pay the yearly fee sooner.
- NO Reduction will be given for absenteeism due to illness or vacations.
- Fees are to be paid in full even if the school is forced to close for reasons out of our control (e.g. COVID pandemic).
- Payments are to be made by EFT with the child's name and surname as a reference number. For safety reasons we prefer not to keep cash on the premises.
- Fees that are paid in full for the year before the END OF JANUARY will receive a 10% DISCOUNT. Fees paid in full by END OF FEBRUARY will receive a 5% DISCOUNT. Fees paid in full after February will not receive a discount.
- Please note that we are not able to e-mail more than one statement. It is the responsibility of the parent who receives the statement to ensure that payment is made in full. Please ensure that the correct e-mail address is provided on your application form for statements.

EXTRA-MURAL ACTIVITIES

Extra-mural activities are offered from the age of 3 years and older. We offer Future Kings Rugby, Dance Kids, Gymini Kids, SoccerStarz, PlayBall and Stimuzone Computers. It all depends on the interest shown by parents/legal guardians.

CLOTHING

Please dress your child in comfortable clothes and not their best outfits, as they will get dirty during the day while eating, playing and learning. Clothing must please be clearly marked. Please pack an extra outfit everyday as we do like to send the little ones home all clean and tidy after an adventurous day.

SICK CHILDREN

Sick children must please stay at home until fully recovered. If your child has been diagnosed with an infectious children's disease or illness (e.g. pink eye, gastro, hand-foot-and-mouth, chicken pox, measles, mumps, flu, etc.) please inform your class teacher as soon as possible so that we can inform the rest of the class to be on the look-out for similar symptoms. Please supply a medical certificate which states when your child may return to school.

Please also inform your class teacher if your child had any of the following symptoms over a weekend or through the night: runny tummy, vomiting, fever, nappy rash (e.g. anything different to their normal routine). It is important for us to be notified so that we can monitor the child and gauge if it may be something more serious than teething and if it may be infectious to other children. Communication is key to ensure that our little ones stay as healthy as possible.

If your child has unwelcome visitors such as head lice, your child must be treated at home and may only attend school once all the nits are gone or have turned black in colour. Please notify us if you find any unwanted critters so that we can check everyone's hair at the school for any other source of infestation.

When it comes to children being sick we need the assistance of all parents to ensure that we keep our little ones as healthy as possible. A teacher may contact you to fetch your sick child. We understand that our parents work and sometimes it is difficult to take off from work, but we have your child's best interest at heart and will not contact you if we think it is not necessary.

MEDICINE:

Medicine must be given directly to the teacher so that this can be noted in the medicine register. Prescription medicine should be pre-measured as we will not take responsibility if incorrect dosage is given. Please note that we may not give any medicine without approval from the parent or legal guardian.

TOYS:

Please note that we do not take responsibility of any toys that are brought to school and is found to be broken, damaged, lost, misplaced, etc. Children play rough with their toys at school, they swap toys with their friends and sometimes they forget where they put their toy. We have more than enough toys to keep our little ones busy during the day.

At Kammaland we keep the children very busy to keep them out of mischief. As a school we believe that we and the parents/legal guardians have to work together on achieving discipline. We make use of positive teaching methods to promote good behaviour in class.
